ANR – Laurence Jarvis, 1443 Mohawk Trail

Laurence Jarvis had previously met with the Board regarding his proposed sale of a tract of land at 1443 Mohawk Trail. The Board had reviewed Mr. Jarvis' deed which included two tracts of land on the one deed. Mr. Jarvis presented to the Board a copy of the deed verifying that he was the sole owner of the property, clarifying an issue raised at the last meeting.

Mr. Jarvis is proposing to sell one of the two tracts of land to Richard Andrews who is presently seeking a special permit from the Shelburne ZBA to construct and operate an automobile service center. Following a survey, Mr. Jarvis has had to adjust the boundaries of the tract he is going to sell to Mr. Andrews. He presented a copy of a mylar prepared by his engineer and explained the changes in the tract boundaries to the Board. The new tract has a total frontage of 320+ feet and the remaining parcel has a total of 780+ feet and 56 acres.

A motion to accept the ANR as presented was made by Cam and seconded by John.
