

Shelburne Local Cultural Council meeting took place on Feb.27 2020.

Attending: Connie Clark, Diane Poland, Nancy Eisenstein, Sally Judd.

Absent: Kay Barenson and Kate Whittaker.

Meeting started at 11:45 a.m.

Minutes from Dec.14, 2019 meeting were read and approved.

We watched a MCC webinar on council programming for 15 minutes. It was poorly organized and poorly run. We unanimously decided to bail and turn our attention to other business.

Local councils are given the opportunity to use 15% of annual allocation on events. Much of our remaining time was spent discussing ways to get artists to use Memorial Hall. Who might perform? What events might be there?

Two applicants from 2019 have not requested reimbursement. We agreed we would be open to consider requests for late paperwork extensions if submitted in a timely fashion. There has been one 2020 reimbursement as of Feb, 2020.

We also discussed preparing both the Council's annual report to the Town and the annual press release on the 2020 awards. Nancy will draft the town report and Connie will draft the press release.

Meeting adjourned at 1 p.m.
