MASSNOTIFY

Add your
phone
to the fight.

Activate MassNotify.

Whether you're vaccinated or not, it's important to remember that COVID-19 is still out there. By activating MassNotify on your phone, you'll be alerted about possible exposure to COVID-19, helping you take action and keep you and your loved ones safe. MassNotify is an added layer of protection. Find out more about MassNotify, visit Mass.gov/MassNotify

Help keep MA safe.
