October 20, 2020

Halloween Guidance

Wear a face mask or face covering as part of the costume or to hand out treats.

Maintain social distancing of at least 6 feet of physical distance from all other participants who are not members of the same household.

Consider using a physical barrier between you and others. Maybe a table on your sidewalk in place of people coming to the door.

Observe good hand hygiene, including hand washing and use of alcohol-based sanitizers with at least 60% alcohol.

Carry hand sanitizer and use it often.

Refrain from touching your face.

Stay home and refrain from Halloween activities, including handing out Halloween treats, if:

you feel unwell;

you have tested positive for COVID-19;

you have been exposed to someone with COVID-19;

or you have traveled to or from a state that is not classified as lower risk within the last 14 days.
